Leet Code Question 1 : Two Sum

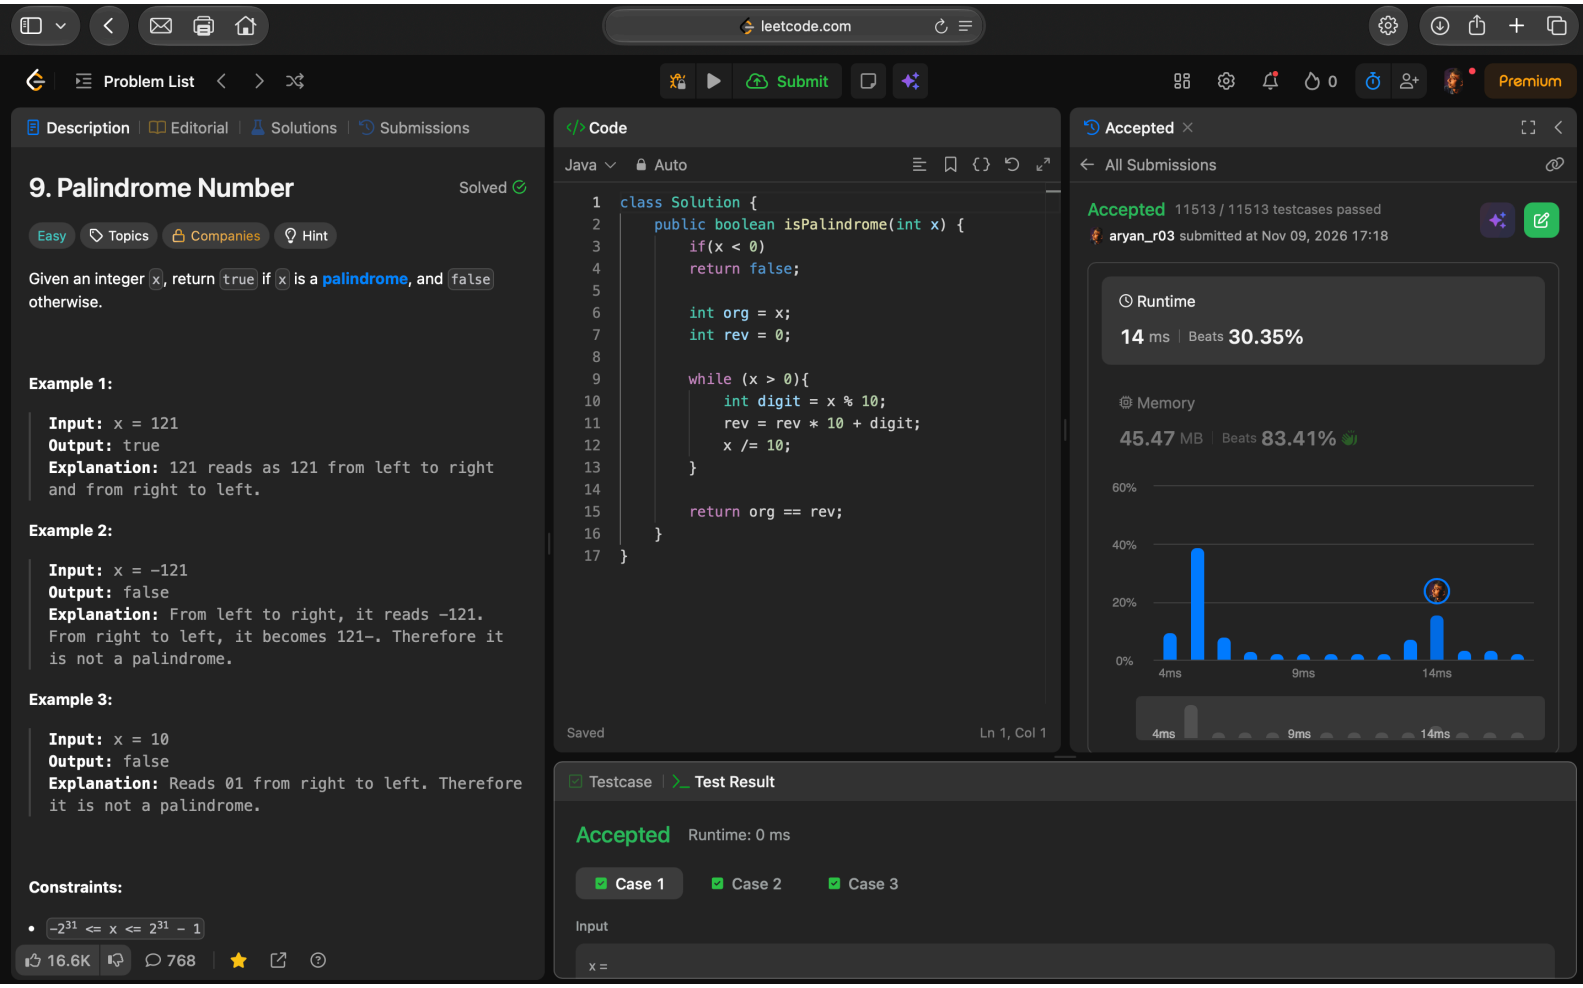

Question Link : https://leetcode.com/problems/two-sum/submissions/2192447875

Caption

Leet Code Question 9 : Palindrome Number

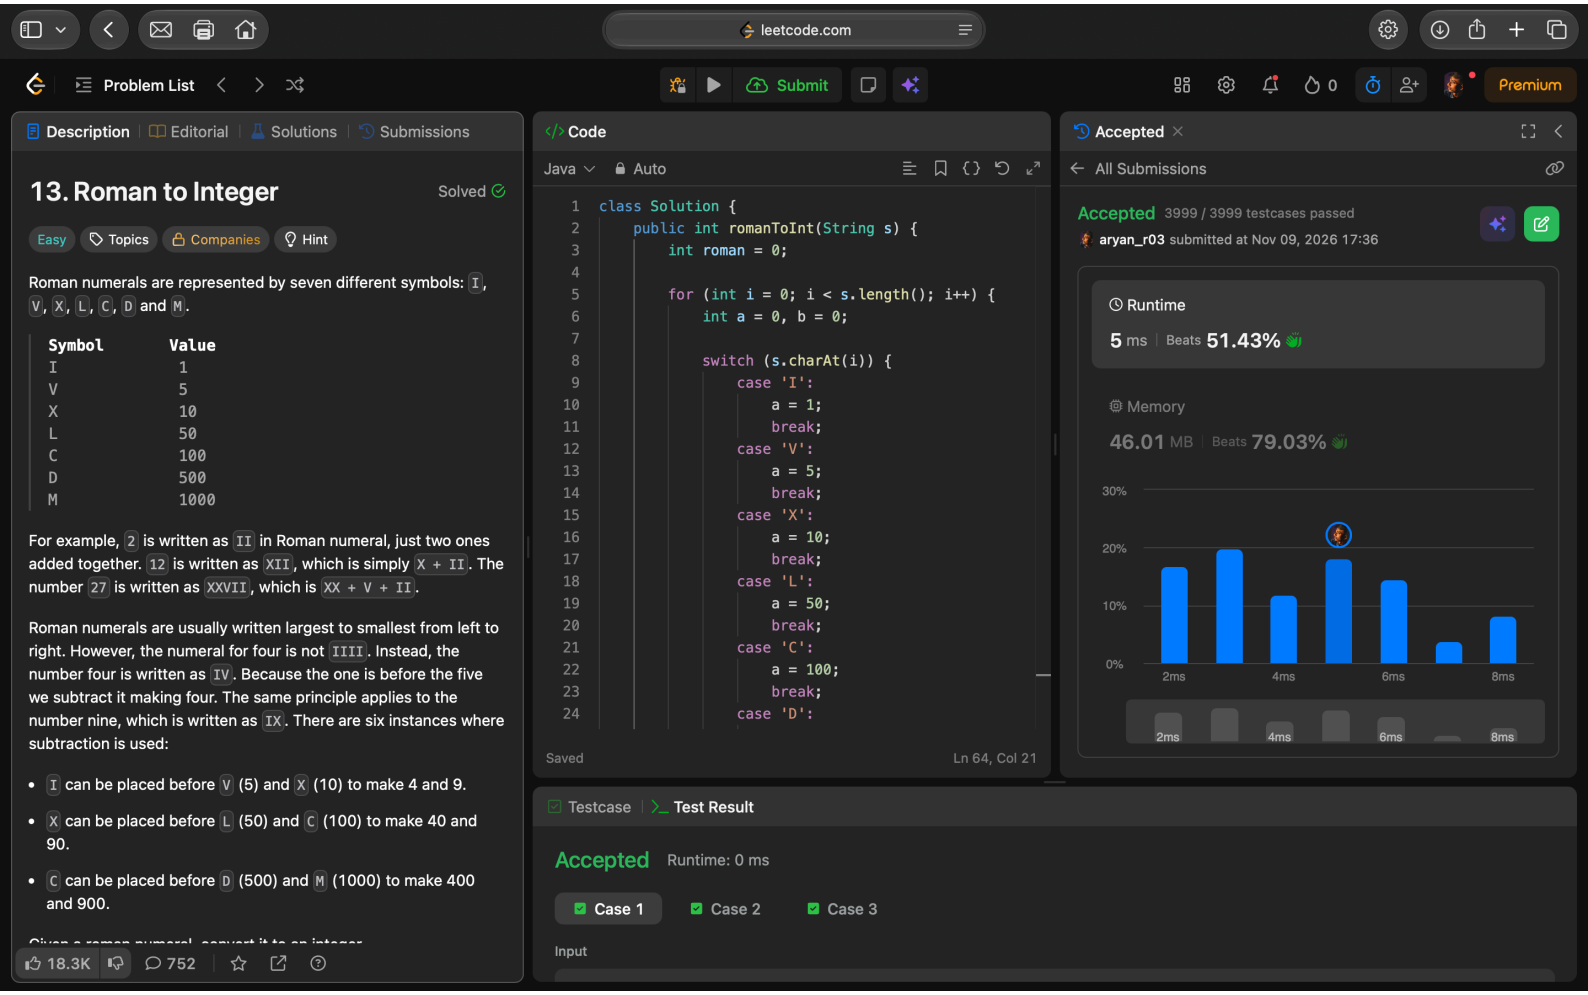

Question Link : https://leetcode.com/problems/palindrome-number/submissions/2192448946

Caption

Leet Code Question 13 : Roman to Integer

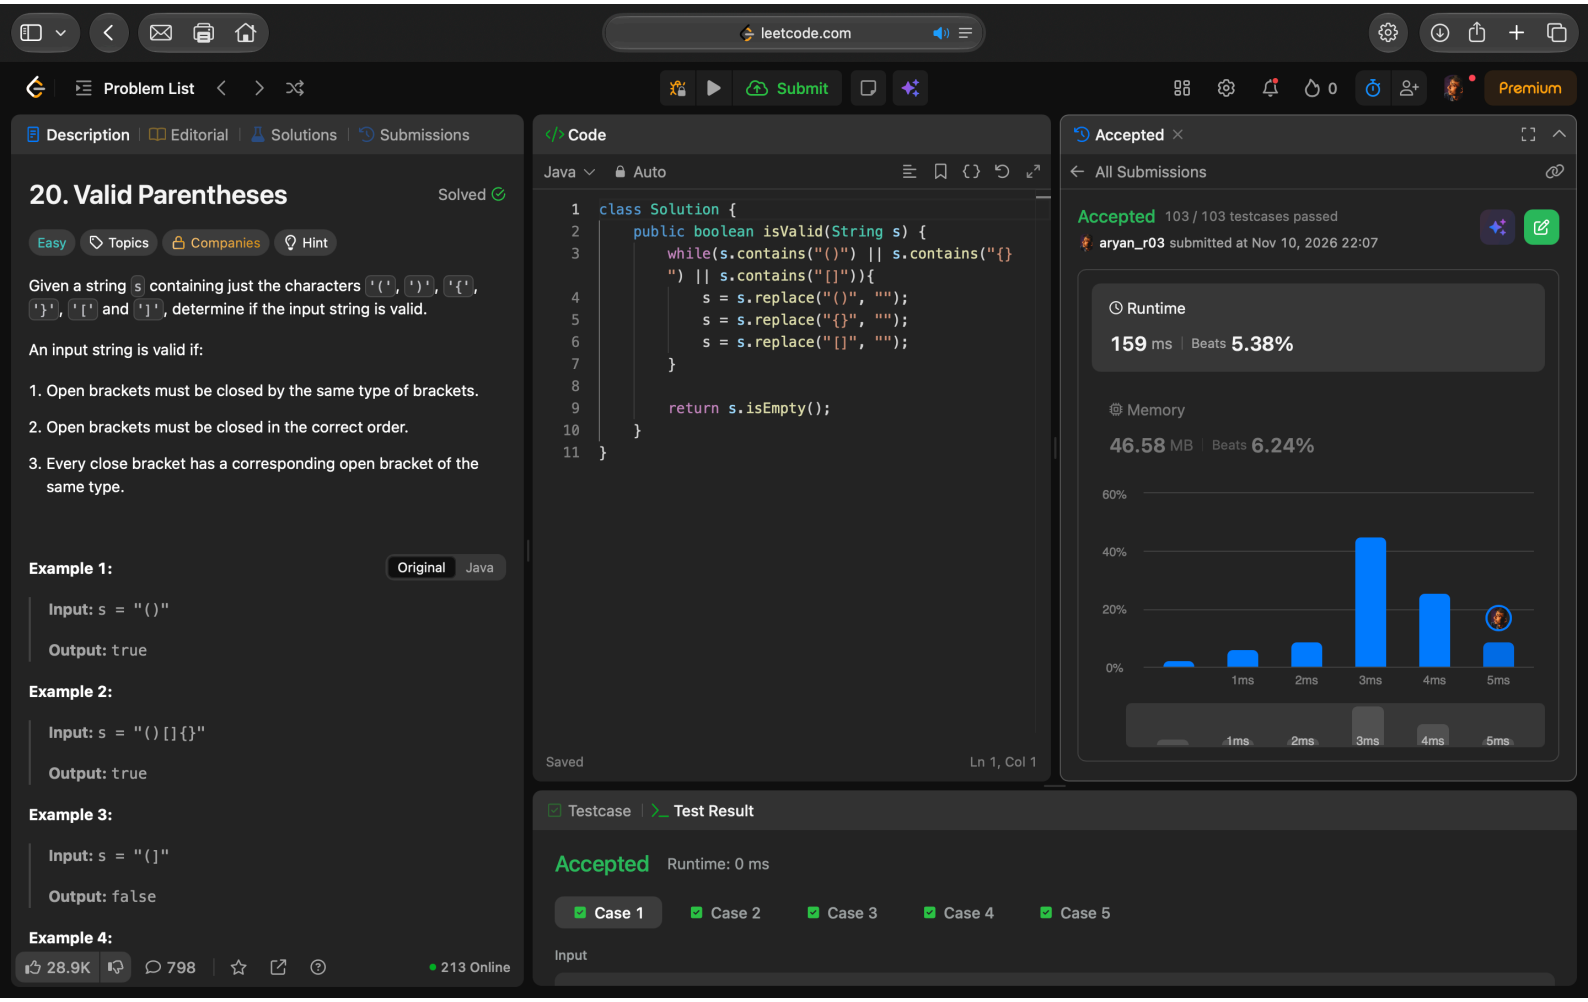

Question Link : https://leetcode.com/problems/roman-to-integer/submissions/2192457627

Caption

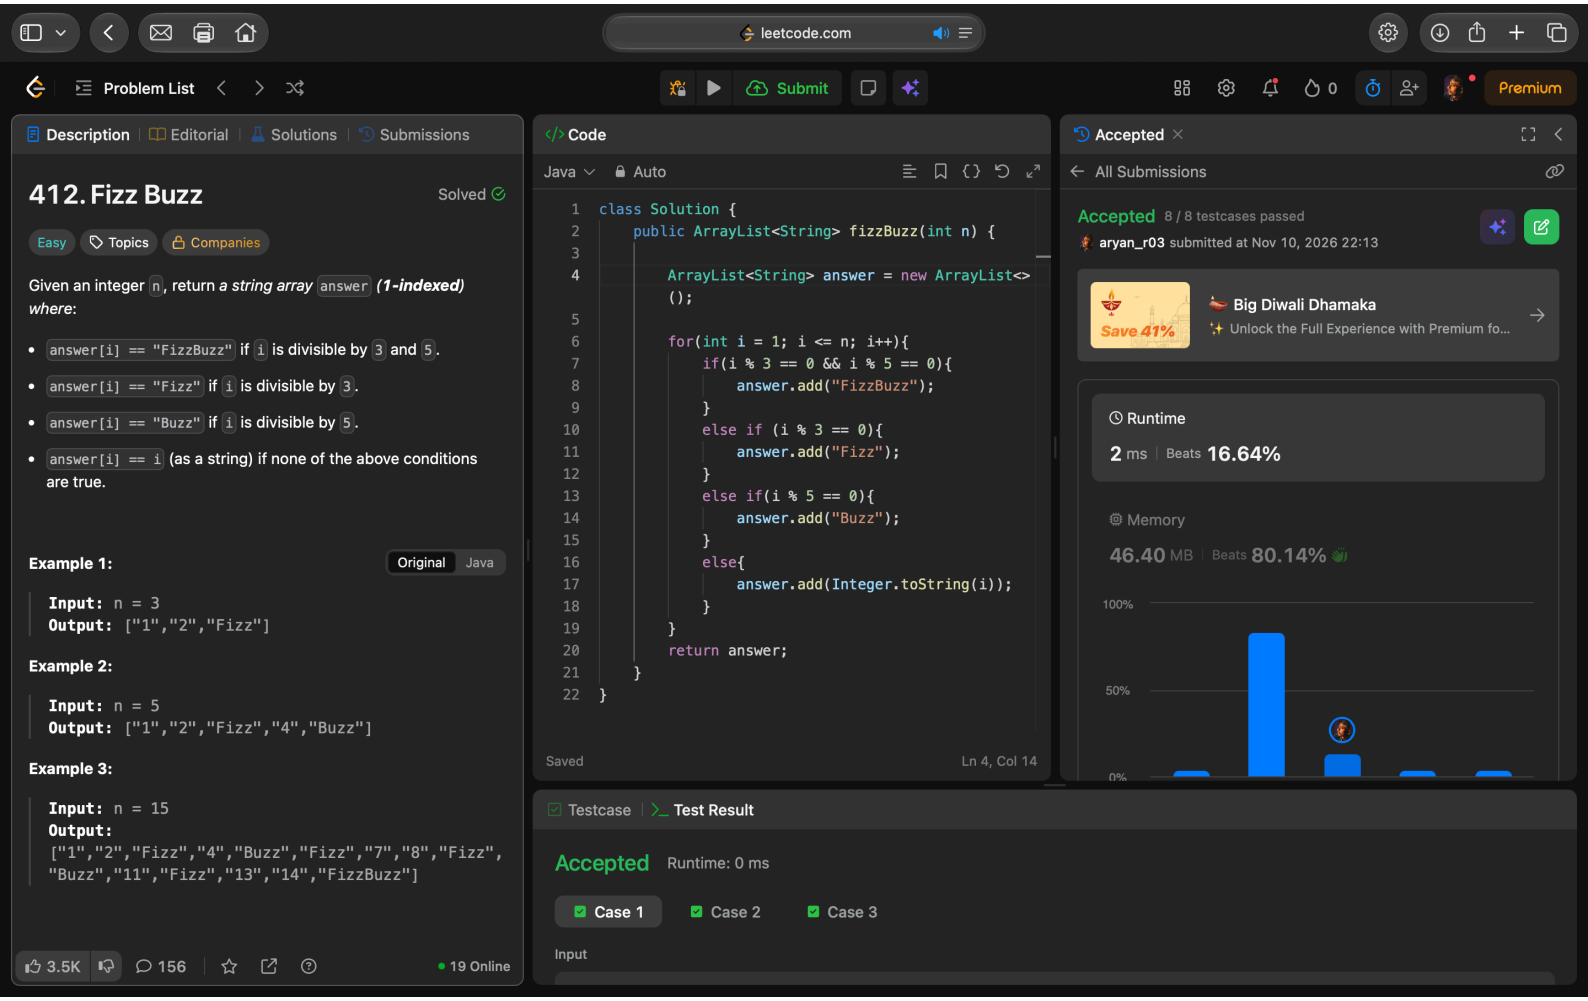

Leet Code Question 20 : Valid Parentheses

Question Link : https://leetcode.com/problems/valid-parentheses/submissions/2193318353

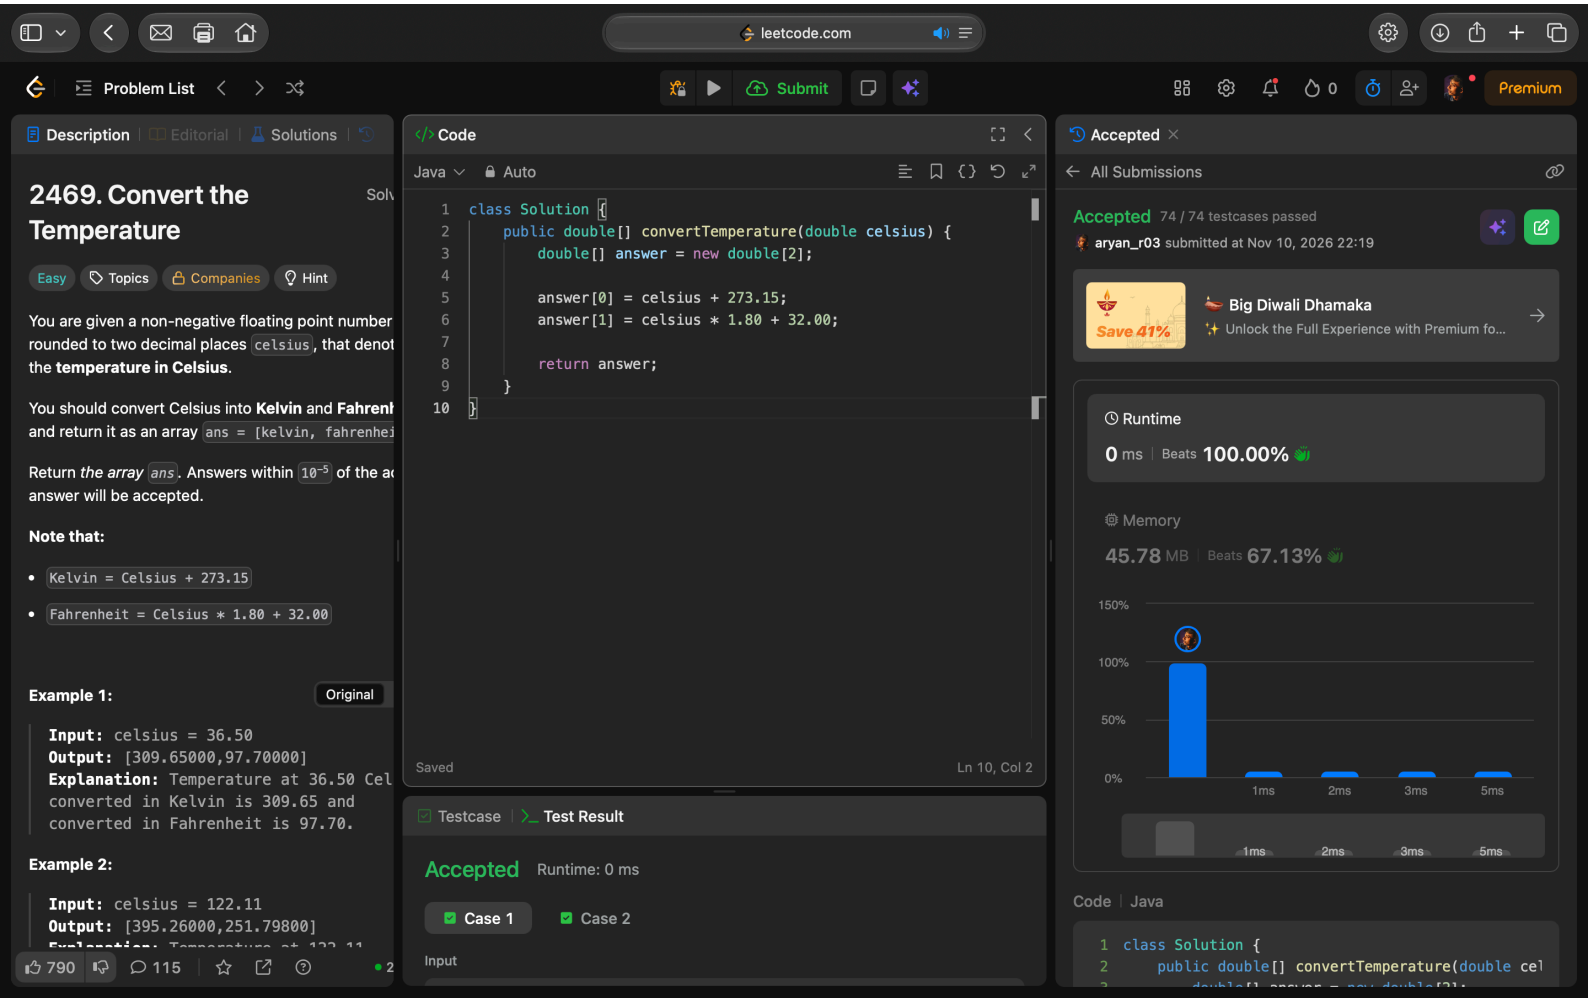

Leet Code Question 412 : Fizz Buzz

Question Link : https://leetcode.com/problems/fizz-buzz/submissions/2193322923

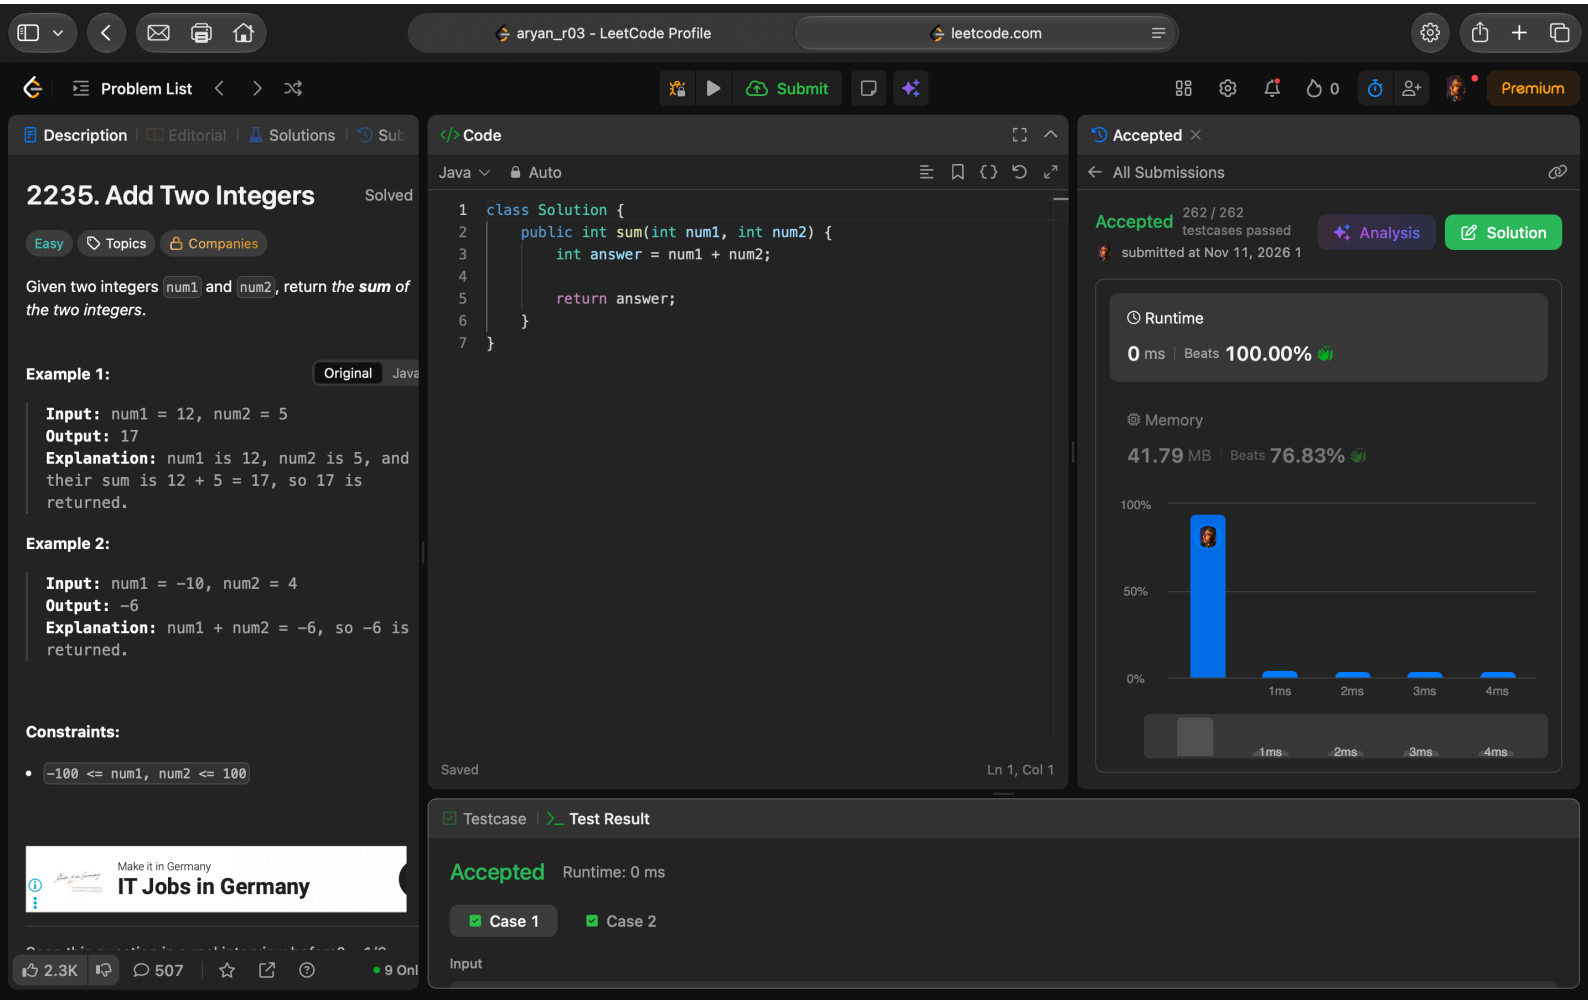

Leet Code Question 2469 : Convert The Temperature

Question Link : https://leetcode.com/problems/convert-the-temperature/submissions/2193327951

Leet Code Question 2235 : Add two Numbers

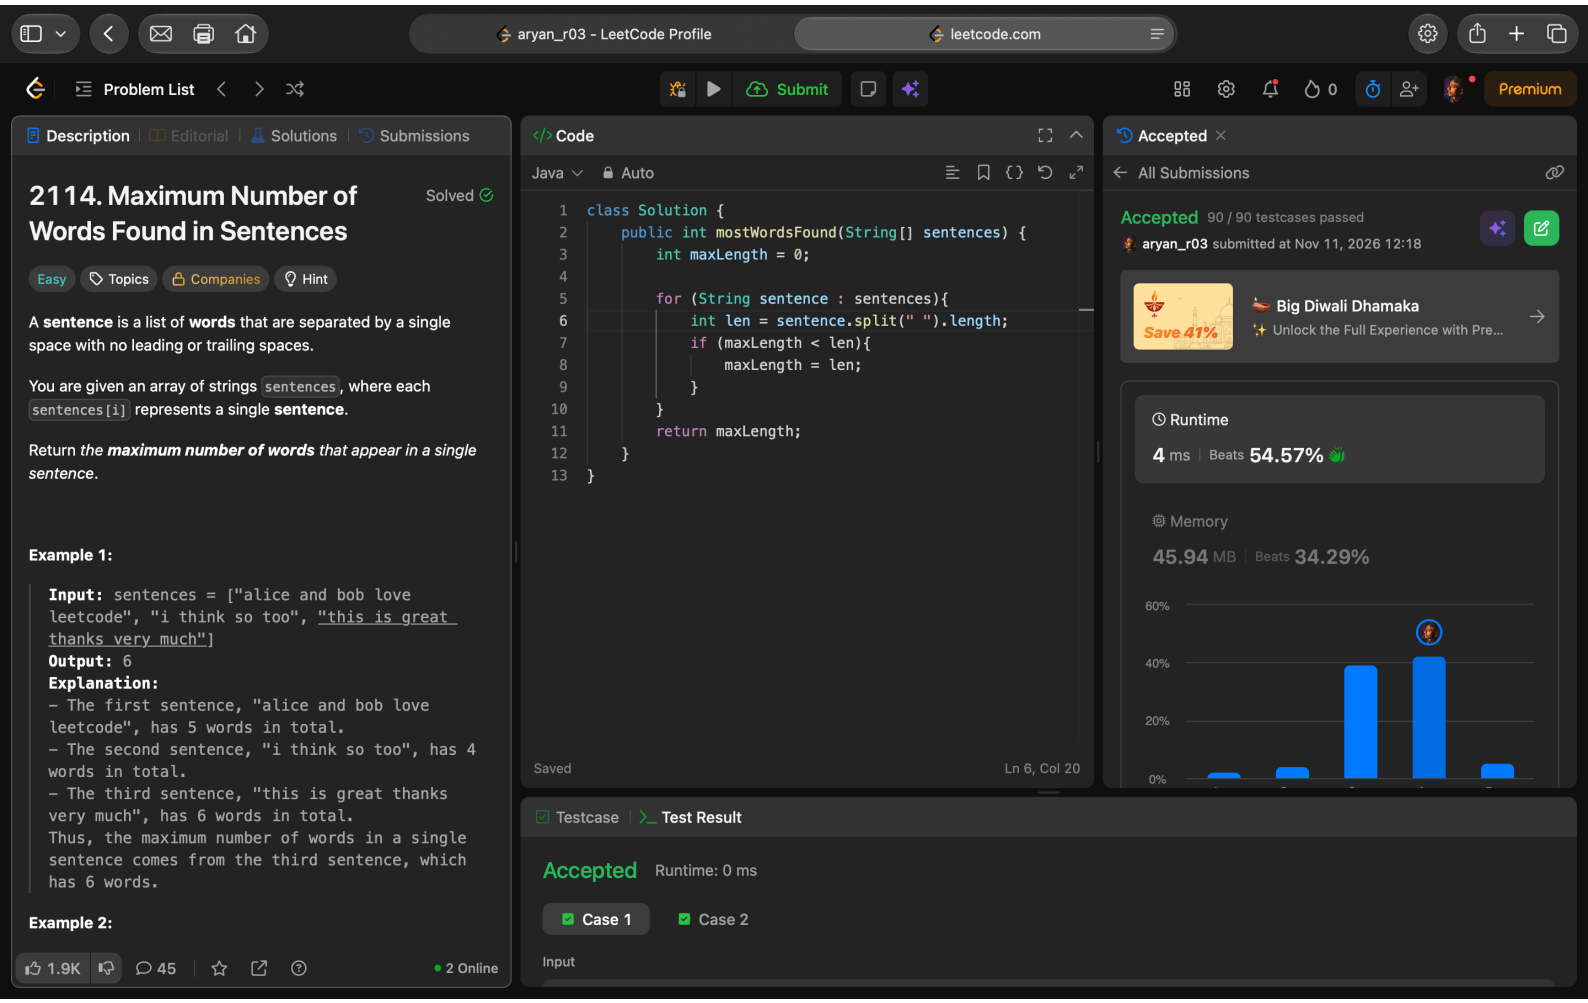

Question Link : https://leetcode.com/problems/add-two-integers/submissions/2193668413

Caption

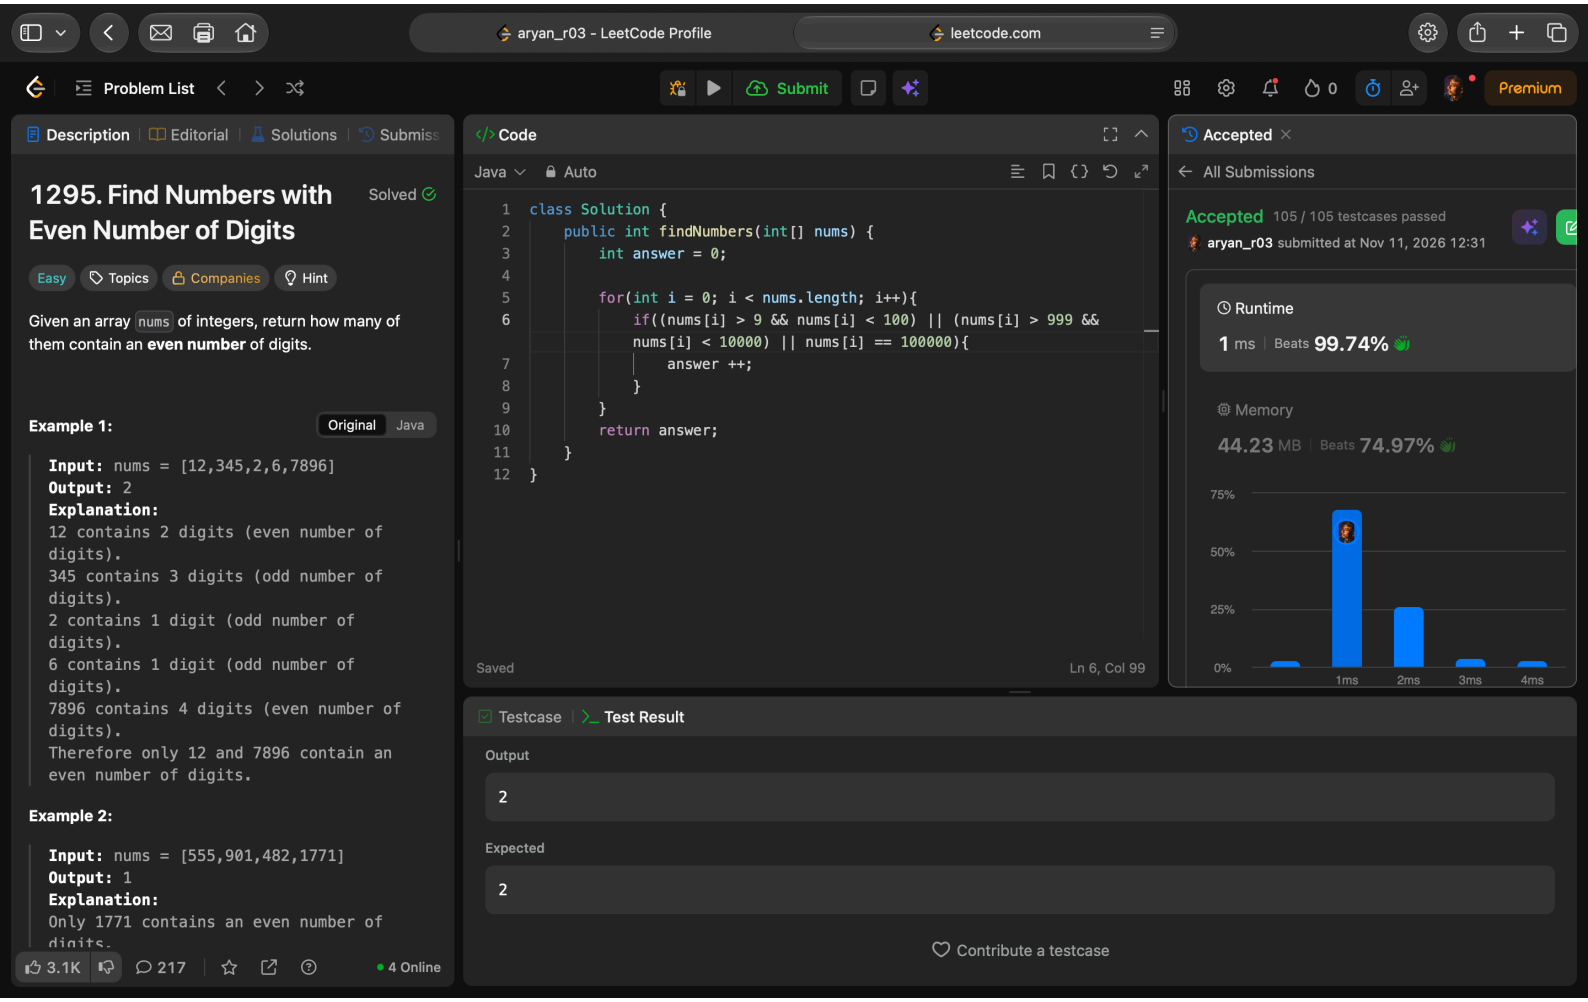

Leet Code Question 2114 : Maximum Number of Words Found in Sentences

Question Link : https://leetcode.com/problems/maximum-number-of-words-found-in-sentences/submissions/2193680496

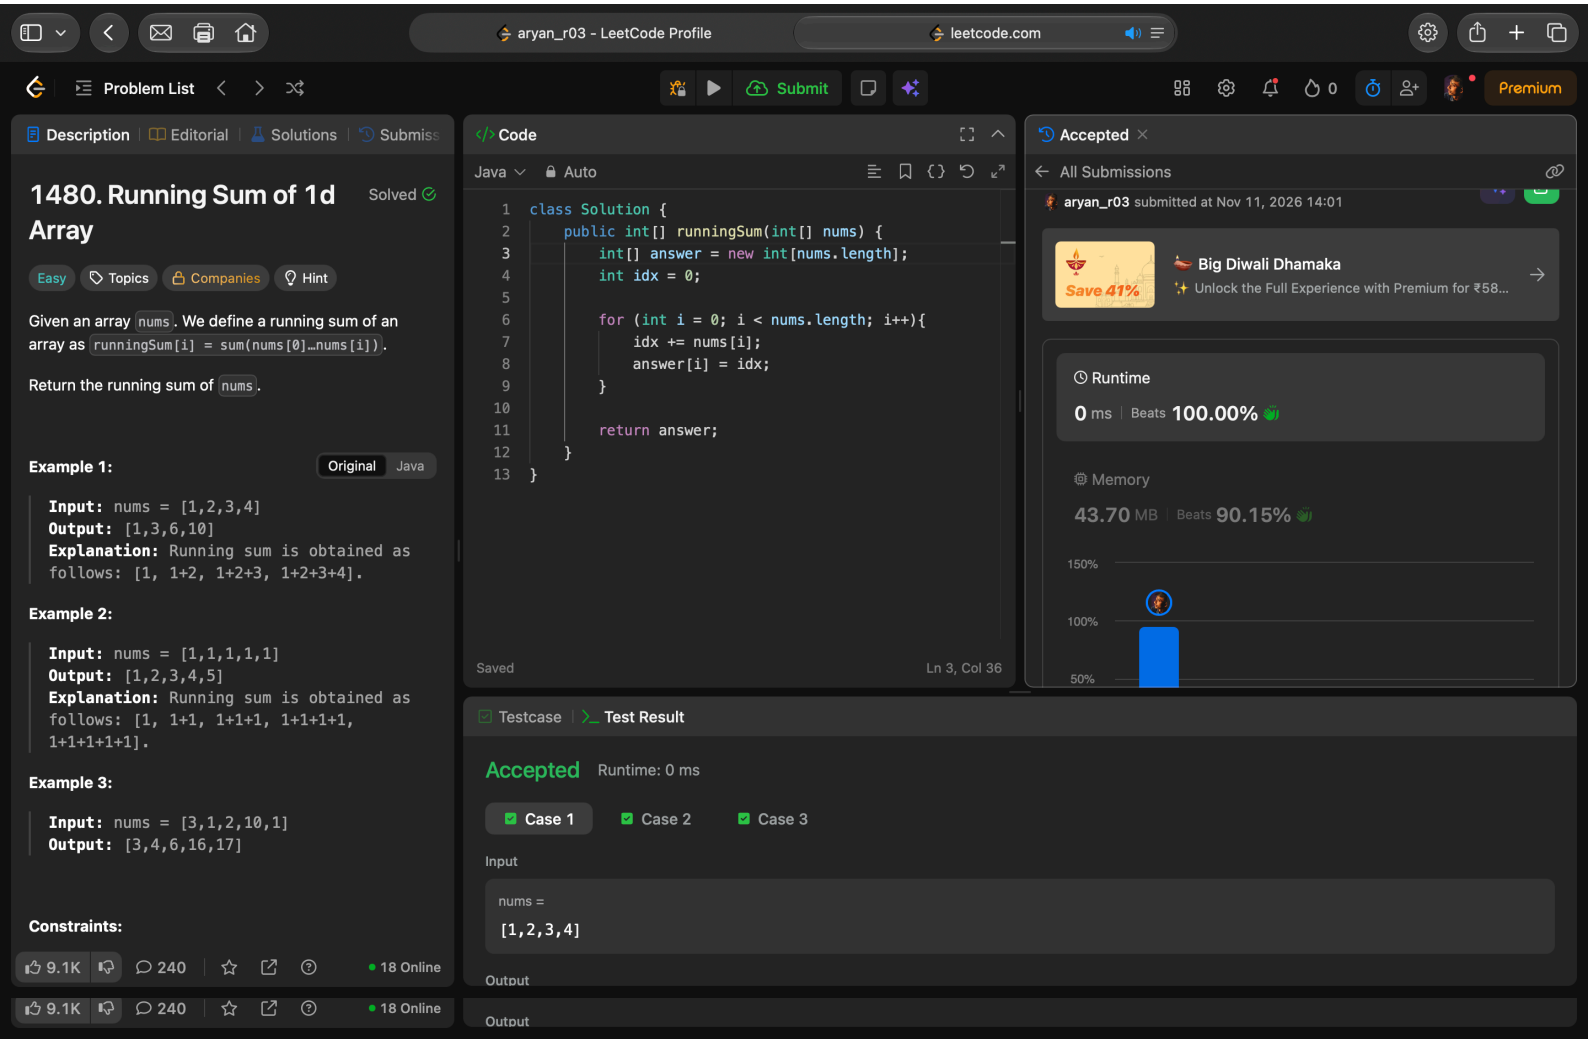

Leet Code Question 1295 : Find Numbers with Even Number in Digit

Question Link : https://leetcode.com/problems/find-numbers-with-even-number-of-digits/submissions/2193688490

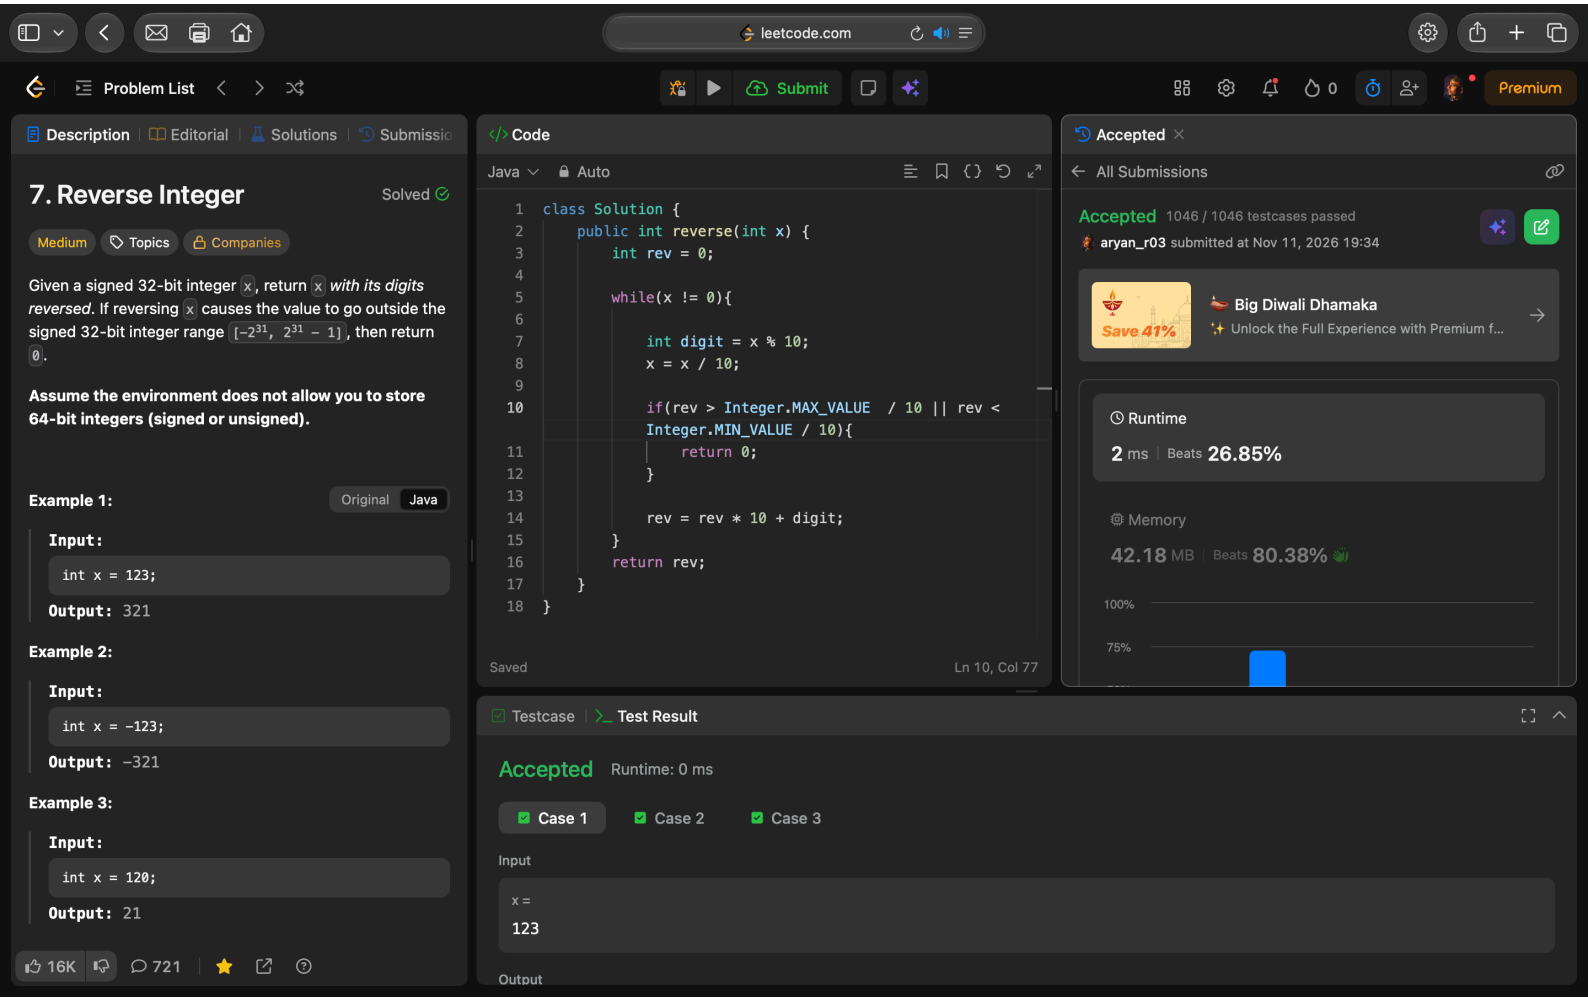

Leet Code Question 1480 : Running Sum of 1d Array

Question Link : https://leetcode.com/problems/running-sum-of-1d-array/submissions/2193737813

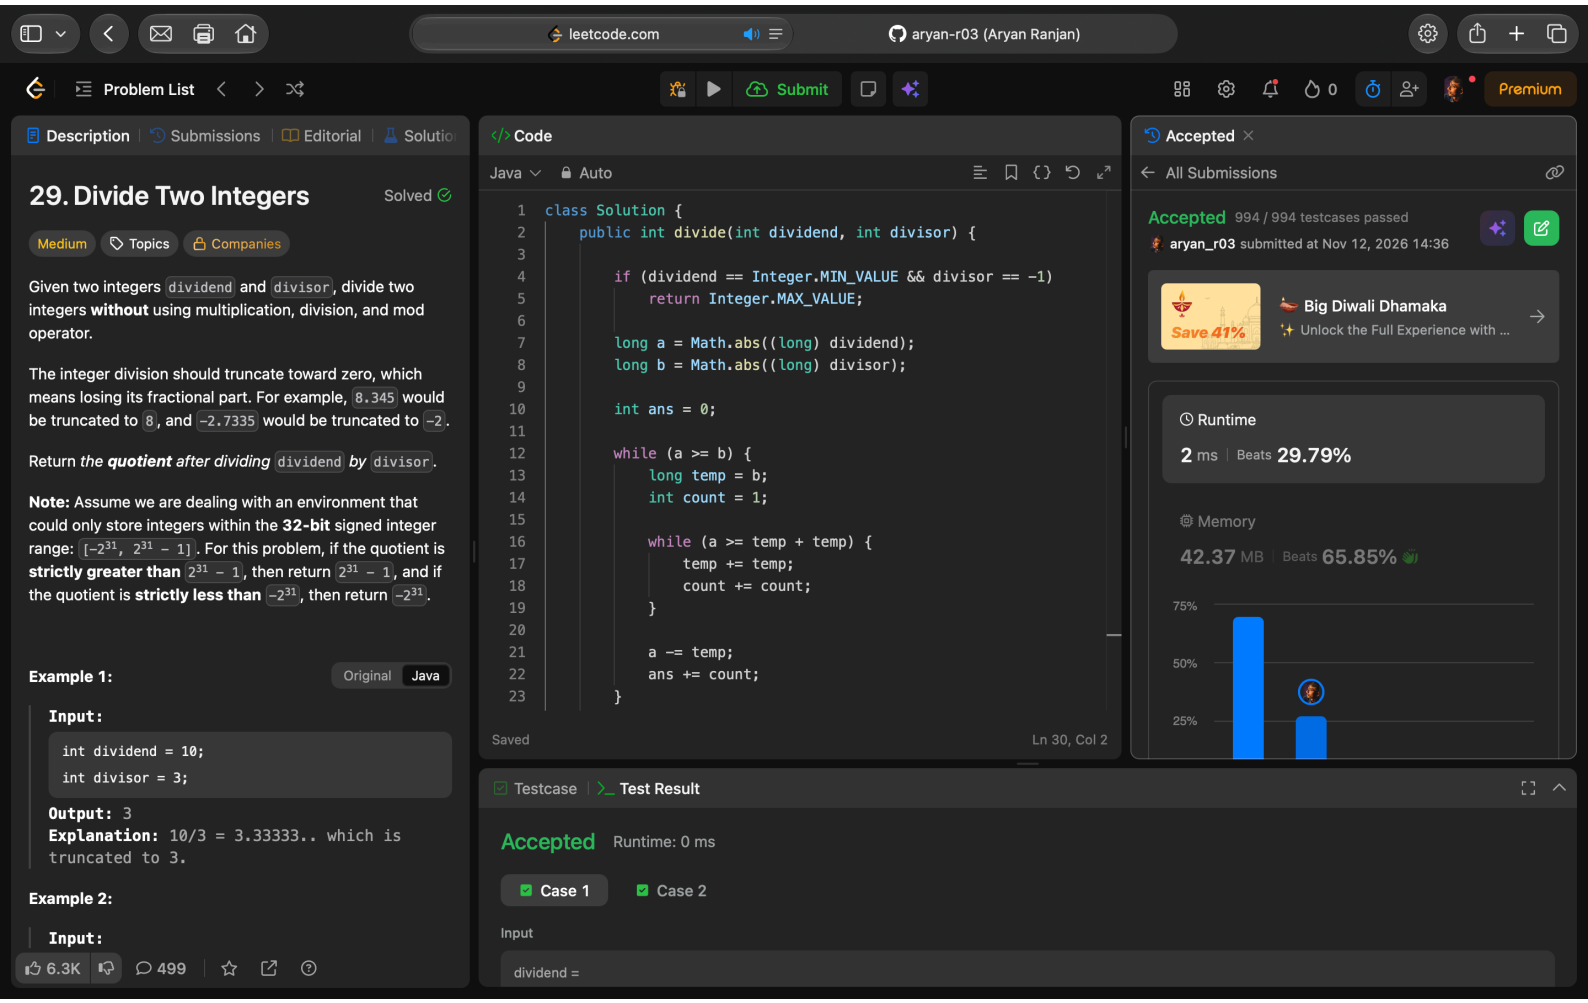

Leet Code Question 7 : Reverse Integer

Question Link : https://leetcode.com/problems/reverse-integer/submissions/2193920951

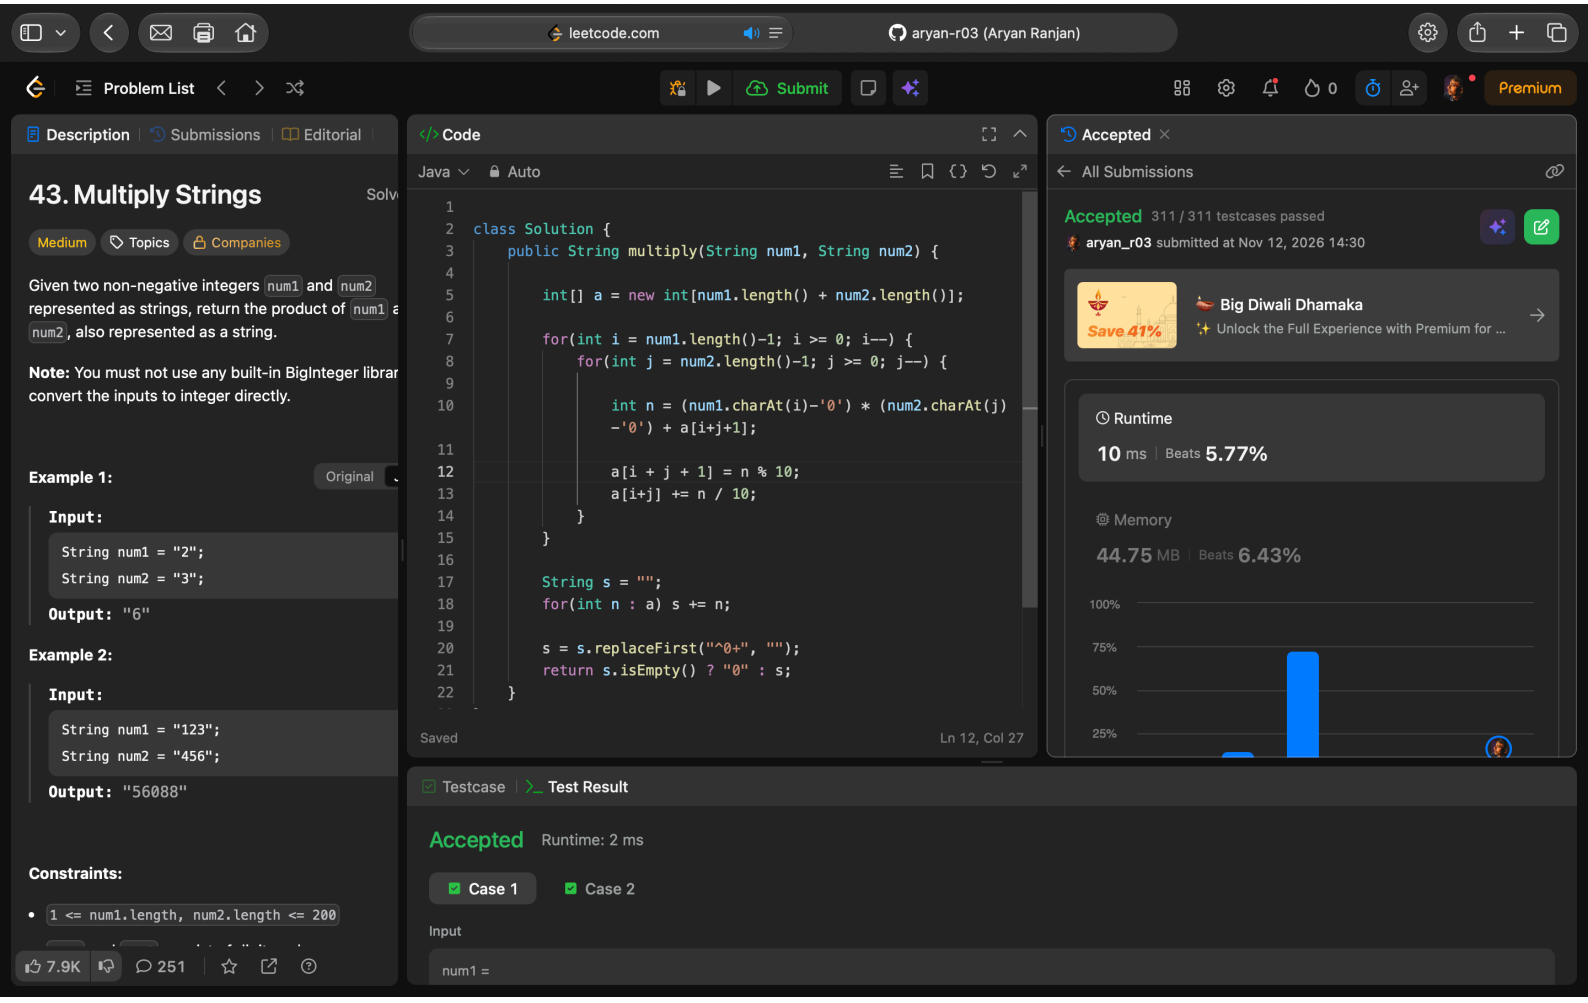

Leet Code Question 29 : Divide Two Integers

Question Link : https://leetcode.com/problems/divide-two-integers/submissions/2194486873

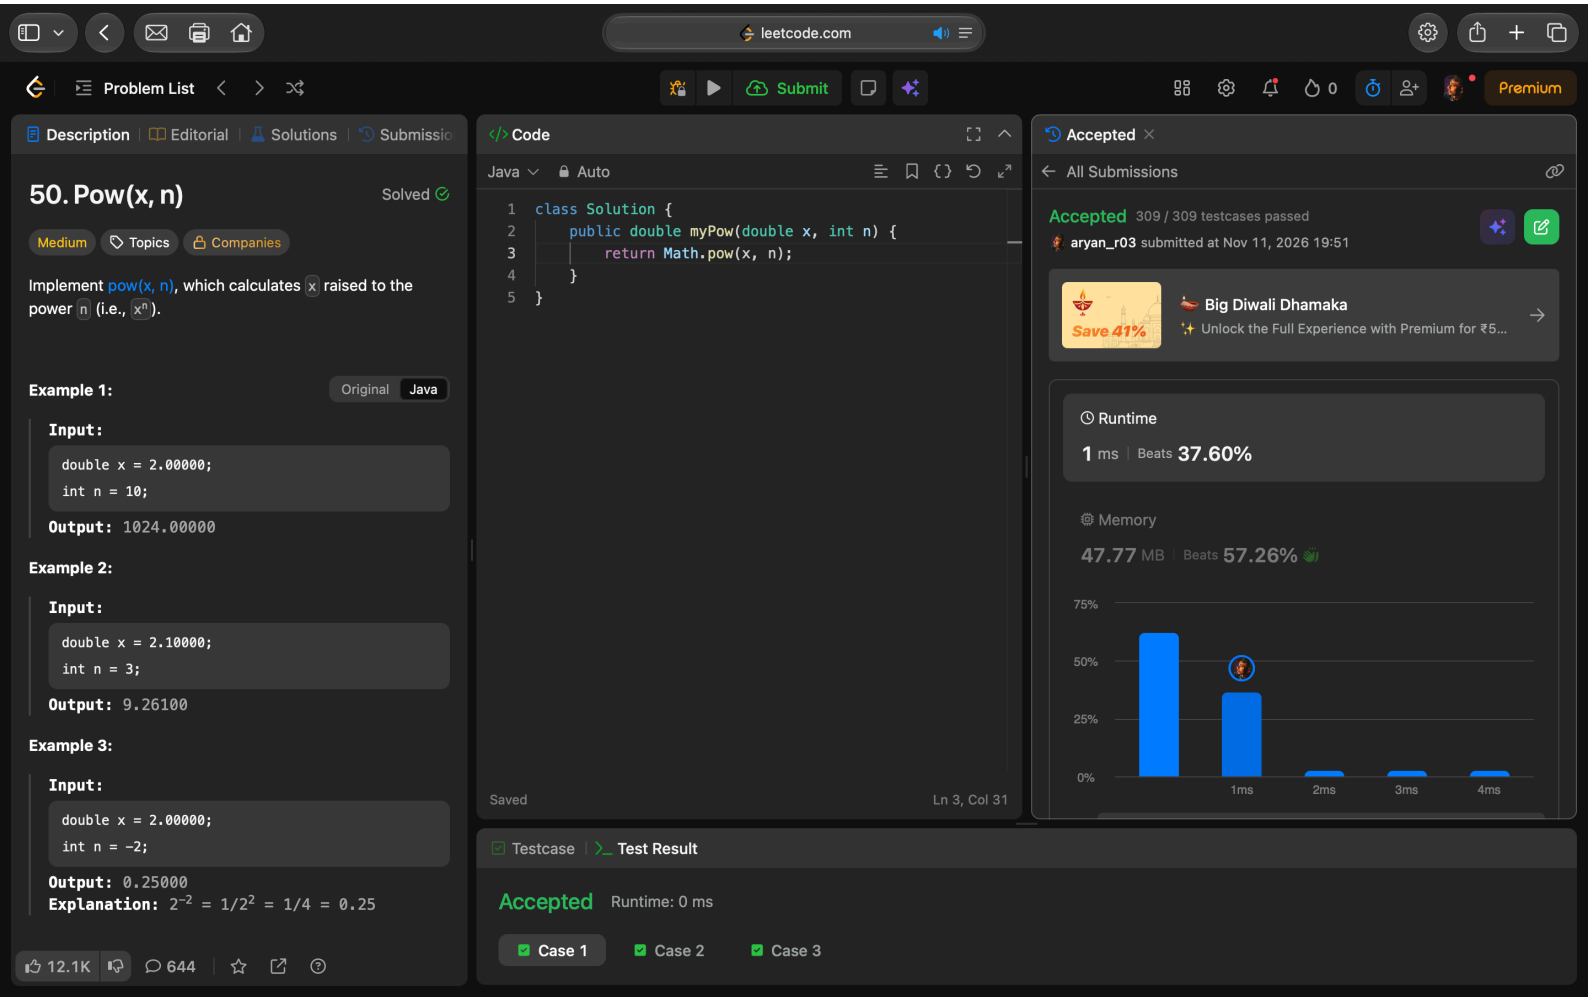

Leet Code Question 43 : Multiply Strings

Question Link : https://leetcode.com/problems/find-the-duplicate-number/submissions/2194476868

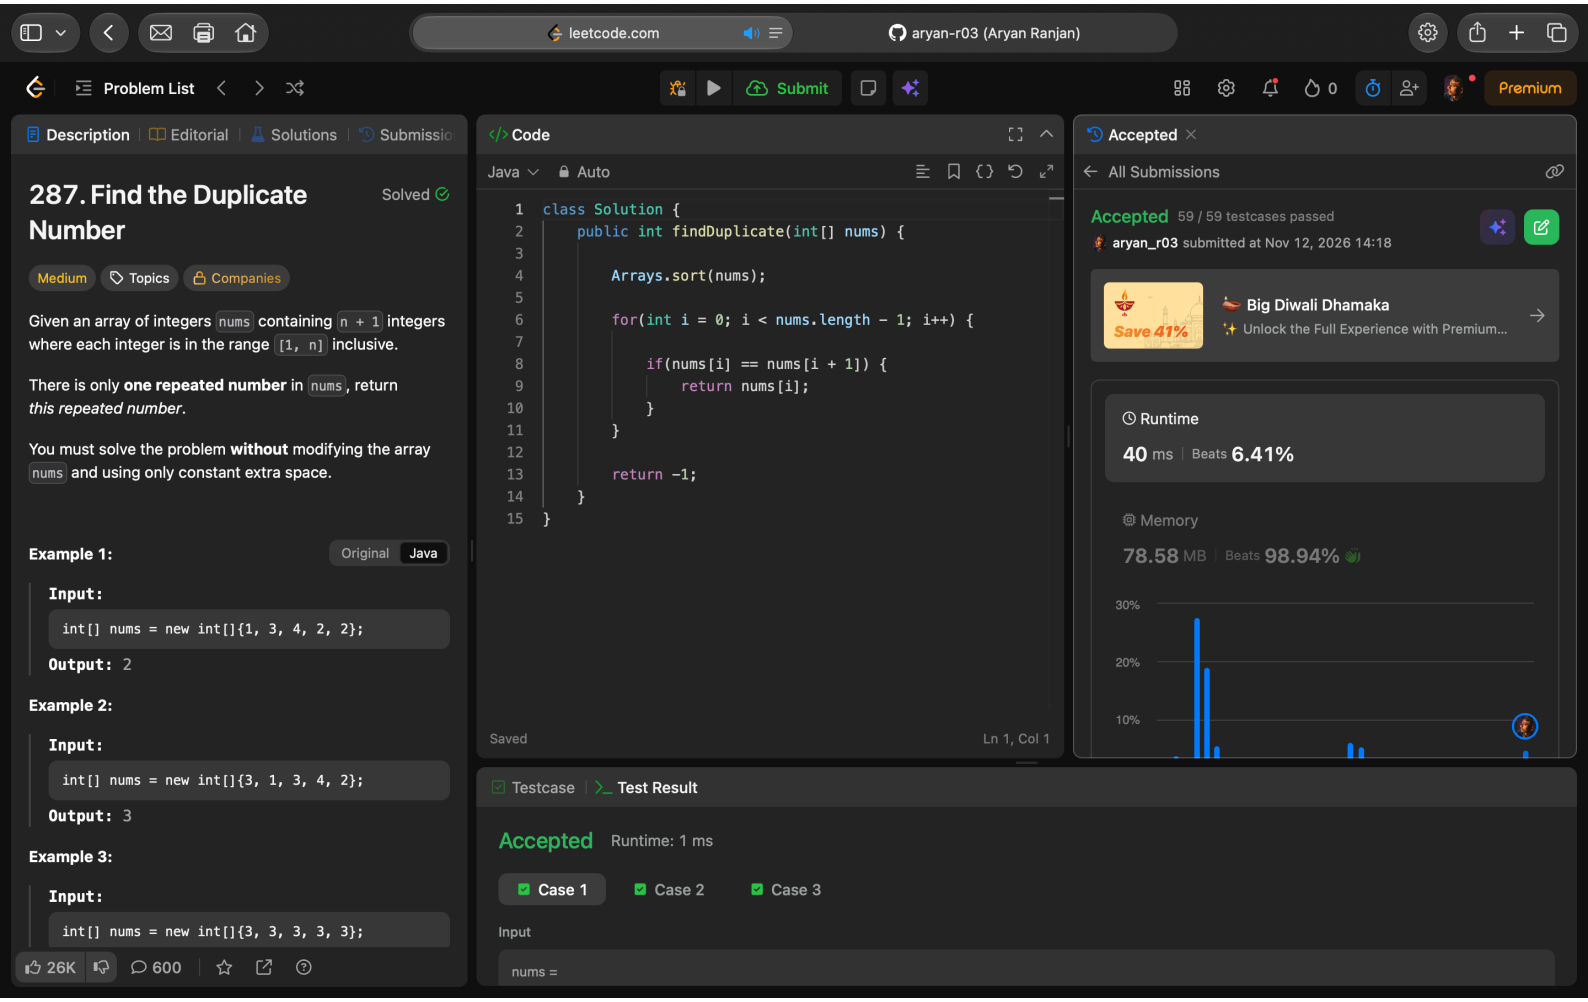

Leet Code Question 50 : Pow(x, n)

Question Link : https://leetcode.com/problems/powx-n/submissions/2193932537

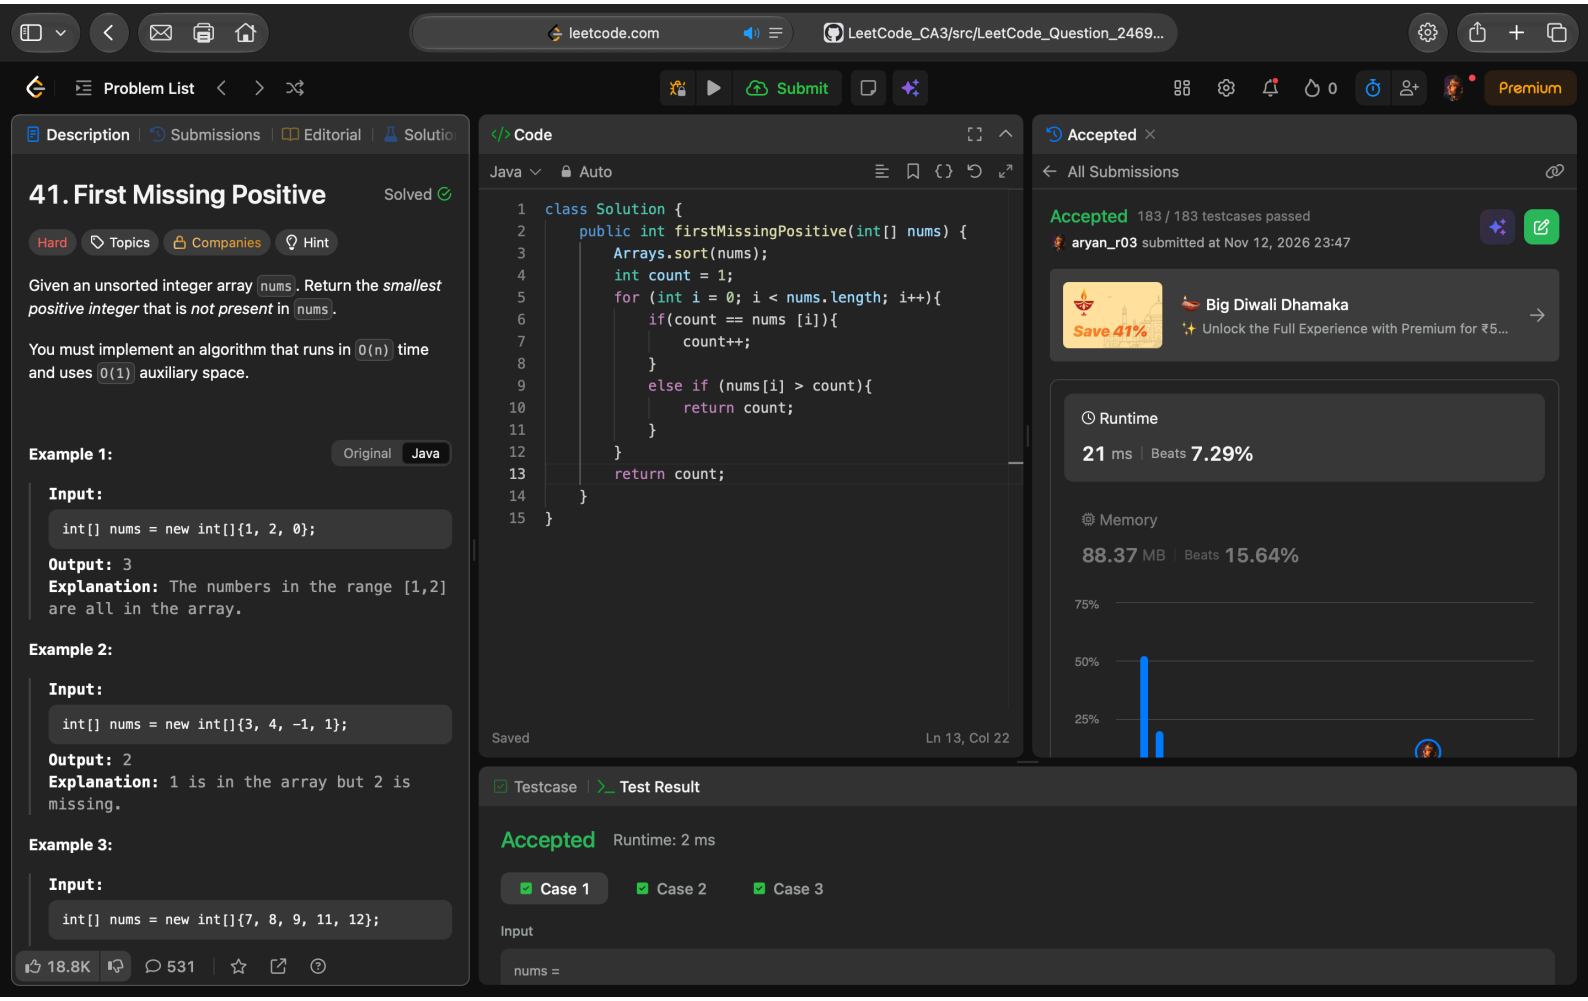

Leet Code Question 287 : Find the Duplicate Number

Question Link : https://leetcode.com/problems/find-the-duplicate-number/submissions/2194476868

Leet Code Question 41 : First Missing Positive

Question Link : https://leetcode.com/problems/first-missing-positive/submissions/2194835897

Leet Code Question 65 : Valid Number

Question Link : https://leetcode.com/problems/valid-number/submissions/2194857612
